Superb Interiors Pvt.Ltd.

Turnkey commercial interiors · Execution specialists since 1991

Civil · MEP · Interiors · Furniture made in our own factory, Hinjewadi, Pune

ABOUT US

One team for the whole job, since 1991

Superb Interiors Pvt. Ltd. is a Pune-based turnkey interior contractor and modular furniture manufacturer. We execute offices, plant offices, hotels, bank branches, showrooms and institutional spaces across India.

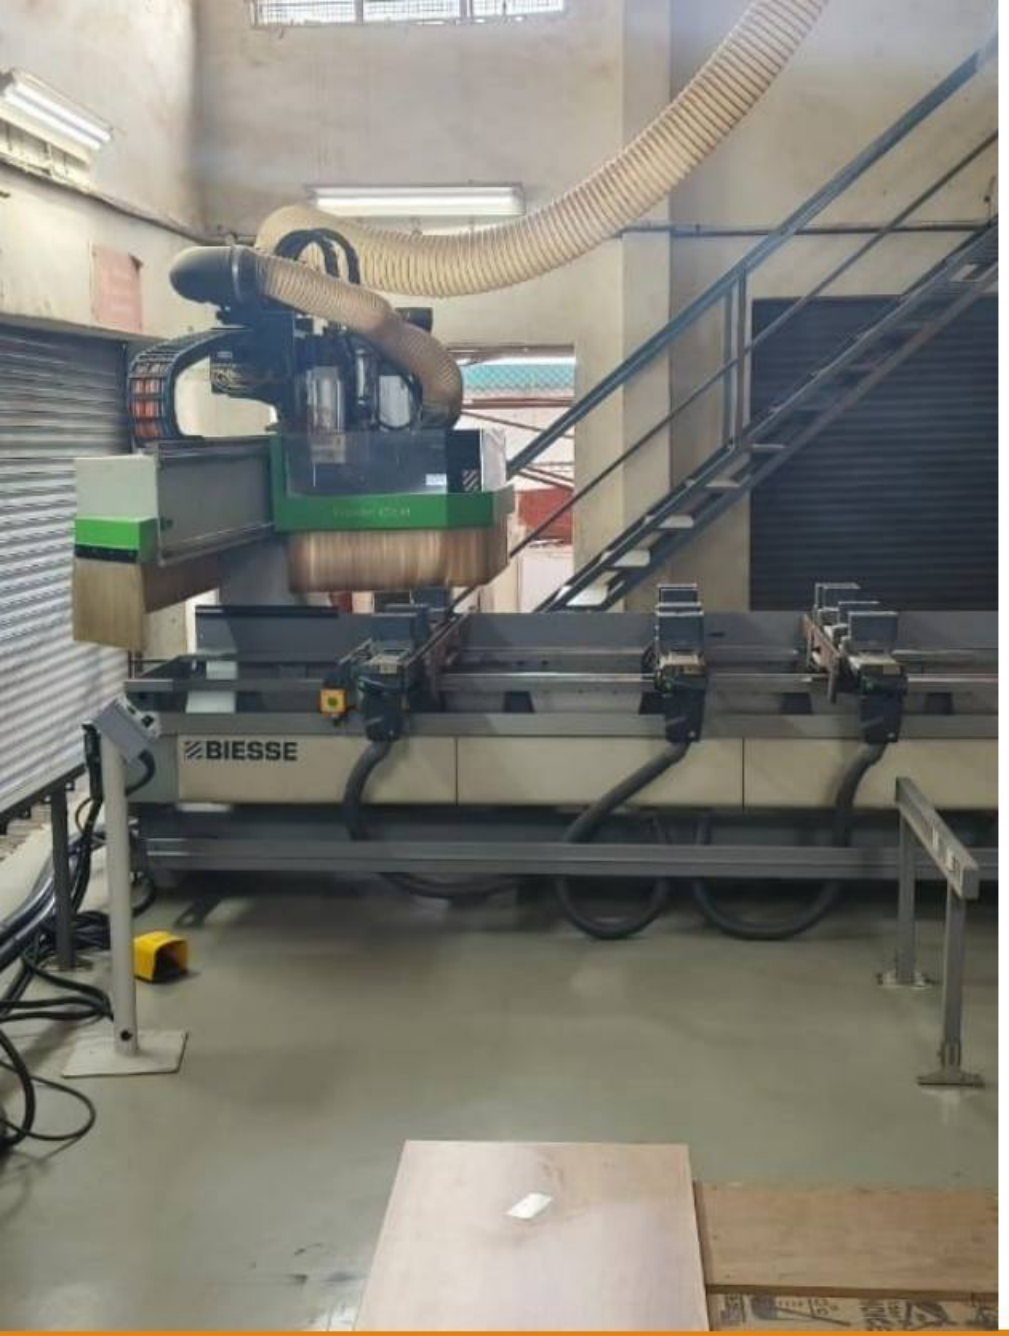

We are execution specialists: civil, MEP, interiors and furniture under one contract, with workstations and storage made in our own factory in Hinjewadi. One point of accountability, from site survey to handover.

LEADERSHIP & FACTORY

Built on our own manufacturing

Mr. Sanjeev Purohit, Managing Director

Founded Superb Interiors in 1991 and set up our own manufacturing plant with imported machinery in 2001. Over three decades he has grown the company from a small workshop into a turnkey contractor with its own modular furniture factory.

The factory, Hinjewadi

Biesse panel line: beam saw · Rover Gold CNC · Jade edge bander. Every panel is cut, machined, edge-banded and checked before it goes to site.

Quality
Every job checked against our own standards

Innovation
Modern machinery, systems and materials

Client focus
Solutions built around the brief and the budget

Integrity
Transparent, ethical practice on every project

INSIDE OUR FACTORY

Every panel is made in Hinjewadi

1 Biesse beam saw

Panels cut to size from the cut list

2 Jade edge bander

Every visible edge sealed

3 Biesse Rover Gold CNC

Minifix and drilling for every joint. Without this step, no joinery or final assembly

4 Panel assembly

Joined, fitted and checked

OUR SERVICES · 1 OF 2

OUR SERVICES · 2 OF 2

MEP, systems and furniture

Electrical & HVAC

- Main DB, lighting and power distribution
- Cabling, raceways and earthing
- Temporary power for site works
- HVAC: outdoor units, cassettes, splits and ventilation fans

Networking & safety

- Networking and LAN
- CCTV and access control
- Fire alarm systems
- Music and PA systems

Furniture

- Modular workstations and storage, made in our factory
- Cabin and conference furniture
- Hostel and classroom furniture
- Loose furniture supply

EXECUTION SPECIALISTS

One contract. One team. One handover date.

1

Site survey

Measure the site, understand the brief and timeline

2

Design & BOQ

Layout, specifications and a detailed bill of quantities

3

Approvals & PO

Written sign-off on drawings and BOQ before production

4

Parallel execution

Civil and MEP on site while furniture is made in our factory

5

Handover

Snags closed, documents handed over, on the agreed date

Single point of accountability

No gaps between civil, MEP, interior and furniture vendors. One team answers for the result.

Furniture on our own schedule

Workstations and storage are made in our Hinjewadi factory, so we control finish, quantity and dates.

Built to drawing

Architects' and consultants' details are executed as drawn, by our own supervisors and installation team.
